Sport

Junior Basketball

Sammy, Lucky and Harry were the best players in the under 16 game and Lincoln almost got a basket except the ball hit his knee. The team won 48 - 22.

The under 14 team lost their game because they started off too slowly.

Yirara Basketball

In the second round of matches on Monday Uluru 42 defeated Winparrku 35. Ngama 54 defeated Katajuta. Top goal shooters were:

Winparrku	Roland 14
	Harold 10
	Stewart 9
Uluru	Douglas 18
	Berty 10
	Sid 8
Ngama	Micah 16
	Willy 12
	Eric Stewart 12
Katajuta	Murray 31
	Paul 12

Soccer

On Sunday I went to see the soccer at Traeger Park. It was very good and exciting. Harold Webb, Paul Myers and Mr. Prior were the good players. Yirara beat Crumcherys by 6 to 3 and I think it was a good game. Miss Lanyon and Dylan were playing and Dylan started crying for nothing. When the bus came we got on and came back to Yirara College.

Popular Opinion

Christopher Columbus Columbus had always believed the earth was round and people could sail around it. Very few people believed this. Most people thought it was like a flat plate and if you sailed too far you would fall off and never be seen again.

Camping

On Friday after supper we went and camped at the Hugh River. When we got there some girls made a fire. When we were sleeping it was raining a little bit so we put a tent over the bunks. In the morning we made breakfast and then packed up our things into the cars and we were on our way to Lizard Rock. At Ellery Gorge we saw a big waterhole, then we were on our way again. We went to Glen Helen and stayed there for nearly an hour. Then we went to Ormiston Gorge. Marlene and I saw two kangaroos hop across the road. We had a good time and saw lots of fish and some ducks. We cooked lunch at Ellery Gorge and went for a swim in our dresses and Miss Neale played her guitar on the hill. After that we started back to Yirara.
