FROM 1

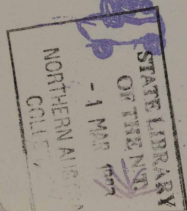

1. I hope that all staff and students will work hard tomorrow for Open Day. We are trying to say to parents and townspeople, "Young Aboriginal people of Central Australia can learn, and are learning at Yirara. We are not myall." To do this, we must not be scared of talking to visitors. Say "Can I help you?".
2. All students tomorrow must get their clean clothes straight after breakfast.

7.00	Breakfast
8.30	Get clean clothes; put in room
9.00	Shopping
10.30	Return Shopping
11.00 - 12.00	Cleaning in dormitory. <u>No student is allowed out of dormitory between 11 and 12 o'clock.</u>

At lunchtime (12 noon) change into clean Open Day clothes, and take dirty clothes in bag, on the way to lunch.

No student is allowed in the dormitory after lunch

3. All students are asked to go to church each Sunday, whether town or Yirara, unless they see me and have their name on the "No Church" list. Only one student is on the "No Church" list so far. Others must see me before Sunday if they want to be on that list.
4. Next week is the last week of Term 1 and I hope you will not get silly just because you are going home. Most people will be going home on Friday, Saturday and Sunday.
