AREYONGA is a Settlement and only few people are living at Areyonga.

Areyonga is between two big hills and sometimes the children climb them and sing. On weekends some of the people go hunting and some stay at home and some old women would go out and cut some trees to make nulla nulla. When they come back we used to run after the truck because they might bring back some rabbit. One day we went swimming and some girls were fighting because they wanted to ride on the raft and I jumped in and was sitting on the raft. When they finished fighting they were friends again.

SPORTS REPORT

Football

On Sunday the under 17 boys played against the staff and I kicked two goals and the other boys kicked some more, but the staff defeated us because we had 16 players and they had 18 players. Some teachers came to watch, there was Mr. Smee and Miss Sommerfield and the others. I reckon the best player for the staff were Mr. Lawson, Mr. Bell, Mr. Argoon, Mr. Poulson, Mr. White and Mr. Kelly. The best player for the under 17 was Bruce, Douglas, Clive, Murray, Stewart and Dempsey. I played well but I didn't get a kick.

Softball

On Saturday Yirara 2 was defeated by R.S.L. 25 - 8. Yirara made an early lead scoring 8 runs in the first two innings, then lost the game with poor fielding. Best player Mildred who made a home run and fielded well.

The cold weather got the better of Yirara 1 who were defeated by Zodiacs.

On Wednesday afternoon Yirara 2 defeated Yirara 1 21 - 14. Mildred was again the best player for Yirara 2 and Maralyn played best for Yirara 1.

Why the Rec Hall is Closed by Stanley Brett

Why? The rec hall was closed because students were very careless to break the rec hall windows. We should care for our rec hall because the damage costs us many monies to fix the windows again. Broken windows are not as easy to fix as getting sand from a truck is easy. But windows cost more money than free sand.

Why the Mini-bus wasn't used this week

Why? The mini-bus was used in careless way. The students didn't care for the mini-bus at all. The mini-bus cost more than money for rec hall windows. Breaking a mini-bus cost more money than breaking a tiny small stick on the brick wall.

Dolly from Mt. Ebenezer

On Sunday we came on the truck to Yirara. We left Mt. Ebenezer early and got here in the afternoon.

Cat Competition

Mrs. Prior has had some good names for her cat, but she still wants some more suggestions before Sunday night.
