

1. All students are asked to look very clean and smart when visiting Alice Springs. Many people are looking at Yirara College students and we want them to think how smart young Aborigines really are.
2. I thought the dance and band last week were very good. Please behave yourself this week, and no fights! When it's time to finish, everybody goes straight to the dormitories.
3. Staff will be checking to see that boys and girls are not leaving during the middle of the pictures - to go and be silly together. Picture time (drive-in on Friday and Yirara pictures on Sunday) must not be a trouble time.
4. Students who run away (especially at night time), and students who go on the High School bus, then walk into town, will be punished. They will not go to the Friday pictures. These girls will not go this week (tonight):

Rhonda	Valda	Bess	Chris
Susan	Clare	Elsie	Winkie
Chrissie	Elizabeth	Cynthia	Maureen
Hola		Chloe	

They will report to Mr. Odling-Smee at the 7.30 pm assembly in the Recreation Hall tonight.

5. Because of the trouble caused by young people visiting the college, our rule now says that NO young person may visit the college at any time except:
  - a) on open nights and open days - e.g. dance night is an open night.
  - b) if they come to visit a staff member.

Parents and councillors are welcome at any time.

6. The following have left the college:

Lindy Myers	Denise Gorey
Phyllis Gorey	Leonard Granites
Audrey Miller	

7. The following senior students are being trusted to go to Alice Springs to-night without staff supervision. They are on trust to behave properly, like many good young Aborigines can.

8. Next Monday there will be a meeting of Senior Students at my house straight after tea. Please be there.
9. Let us all - students and staff - make the weekend a trouble free weekend. I hope it's an enjoyable one.

Remember to keep 10 cents for the pictures on Sunday night. Don't spend all your money in town on Saturday and Sunday.

When we go to the drive in all students must sit on the SOUTH SIDE in the first and second rows. It is too dangerous to spread yourselves out. The drivers can't see you and an accident will happen soon if we are not sensible.

Last week there was too much rubbish left lying about where the Yirara students were sitting. There are rubbish bins at each speaker make sure you put your drink cans and other papers in them before you leave the Drive in.
