FRI	All students return home Enjoy your holiday		

That's the Way the Ball Bounces...

It was a busy week in basketball for Yirara with five games being played. On the boys 15 and under competition our boys were beaten 27 - 22 by a fast improving Buffaloes side. Paul Myers with 10 points was Yirara's top scorer. The boys are now in second place, 3 full games behind Yanks.

On the girls 15 and under competition the top two teams met in what should have been one of the closest matches of the year. Instead the Big Orange Machine from Yirara completely outclassed Norths 46 - 22. After a close first half in which our girls merely played around, Yirara really poured on the pressure to maintain their unbeaten record. Maureen Donnelly was our top scorer with an incredible 24 points.

Our women's team played 2 games this week and moved into first place in their competition. On Wednesday they beat a stubborn Fedrals team 36 - 26. Maureen Donnelly playing 2 games with no rest was our top scorer with 10 points. Captain Cynthia Foster scored 8 points and for the second game in a row was named "best and fairest" by the umpire.

Last night our girls met Rovers in the battle to decide first place in the competition. The first half was all Rovers and we were lucky the score was only 16 - 8 at half time. But in the second half, Rovers tired and Yirara never let up. Alice Granites was easily the best player on the court scoring 10 points and dominating the backboards. Maureen Donnelly scored 8 points for an amazing 42 points in one week. Final score Yirara 30 Rovers 26.

After losing a close game to Rebels Gold last week our men's side came back to beat Wests comfortably. Leonard Granites was unstoppable playing excellent defence and scoring 16 points.

ANYWAY, that's the way the ball bounces....

What's happening this Week...

- Friday 30 Nov. 7.30p.m. Double Feature at the Walk-in (if you can stand the excitement)
