# YIRARA

## From the Principal:

1. I am very pleased to hear about Senior Students working in town. It won't always be easy, but it will be a very good learning time. Let us show European people in town that Aborigines are good workers, and are really clean people.
2. I am also pleased to hear about the Programme Committee. This is a time when Aborigines make decisions for themselves, and this is very good training. Well done to the students who asked to be on the Programme Committee.
3. Another good Committee run by Aborigines is the Yuendumu Sports Weekend Committee. It is run by Teaching Assistants and their senior students. They will decide everything about the weekend - buses, training, coaches, food, discipline.
4. I look forward to hearing more and more good stories about Yirara playing good sport in Alice Springs.

Spectators	:	barrack for Yirara.
Players	:	play clean games
Losers	:	don't sulk.
5. During the second week of this term many people ran away. I hope this will not happen again. Will Yirara be a quiet place or a trouble place? I hope it will be quiet. If you have problems, fix them by talking, not walking.
6. Are you getting ready?

Alice Springs Show	..	5 more weeks
Papunya Sports	..	6 more weeks
Yuendumu Sports Weekend.		8 more weeks

Good wins and good displays only come after good preparation.

D. H. ODLING-SMEE.
