## Basketball

Last Friday night three teams played the junior competition. The under 16 girls lost. The under 16 boys captained by Harry Collins also lost, but the team captained by Brian Wilson won with Micheal Marshall and Stanley Gallacher being top scorers.

Mens C defated Souths by one point in a close game. Yirara was in the lead at half time, but Souths took advantage of the slower play in second half to come up within a point of winning. Best players were Murray Woods, Doug Wilson, Berty Nandy, Harold Webb and Clive Robertson.

## Womens B

It's not easy to dribble from puddle to puddle but as predicted success came to Yirara Women's B basketball in a game with difficult conditions. The half time score of 3 - 8 showed how close the game was and scores were equal to within  $\frac{1}{2}$  minute of full time when Maxine shot from a long distance on spectators encouragement of "shoot, shoot". Final scores were Yirara 20 to Pimneers 18. Top scorers were Suzina with 12, but fine efforts from Maggie, Valda and some fine breals from Maralyn made it a fine team effort.

## Womens C

Each week has shown a great improvemet in a team w hich has potential to go through and become a top team. Against an evenly matched Perentis team, Yirara were unfortunate to lose 26 - 20. Accurate shots from Ada boosted the score. As with the B grade some good defence and fast breaks by individuals created a more united game. Erica and Barbara have played well all this season and always keep the game moving.

## Juniors

Mrs. Connors from the High School who had had a couple of training sessions with the girls brought out 2 junior teams from the High School on Thursday at noon to play as a team. Well done to the girls who came, but unfortunately a few slept soundly in the dormitories. Game one was an easy 48 - 14 win to the High School while game 2 was a narrow victory for Yirara 14 - 10

## Yirara Competition

In the first round of the basketball competition Ngama defeated Uluru 54 - 31 and Katajuta defeated Winparrlau 68 - 52. This puts Katajuta on top of the ladder. 2nd. Ngama, 3rd. Winparrlau and 4th. Uluru. Top goal scorers: Harry Collins 24, Paul Myers 21 and Murray Woods 20.

## News from Last Week by 7A

On Friday we got ready for junior basketball. When the bus came we got on the bus. When we got there we put on a singlet then wrote down our name. I played for under 16 and we lost. The under 15 played then and I played again. The girls were beaten by little girls.

On Friday night we went to the R.A.A.F. band and it was very good, but there were too many drunks around fighting and making big noises. The man who was the boss of the Orchestra was annoyed and very angry about it. The children on the grass were dancing and some tried to copy the man who was swinging the sticks.

On Friday some of the softball girls were trying on long dresses and shoes. Miss Lanyon took some photos of us in our long dresses. I wore a blue and purple dress. We made two cheesecakes to take to the party. When it got dark we went to clean up and put on our long dresses and shoes. Miss Priestley and Miss Lanyon were very happy to see us with long dresses. Everybody came to the office to see us and all the staff took photos. It was cold and dark when we got out at the Keith Smith Hall. There were lots of people in the hall. We had a really great time at our first party in long dresses.

Last Saturday we went to Orange Creek and I took a bottle of orange drink and some sandwiches. At Orange Creek we found some rabbits. I walked by myself and I found one big rabbit. I was scared of that rabbit and I went back to tell the others to come and get it. We went back to where the rabbit was and tried to hit it with one big stone but the rabbit was too quick and he ran to the other side of the creek. Morris Wayne found some tomatoes and Maggie Williams found some too. When it was time to go back to Yirara there was one more big rabbit and all the boys ran down very fast and when they came back they had one dead rabbit. On the way back, first we went up a bush track until the bus couldn't go any further, then we had a swim in the big dam. It was deep and a little bit dirty. When we finished swimming we went to Yirara and we went to the dining room for our supper.

On Sunday some girls went to the airport with some boys, and the boys went up the tower and then the girls came up. We watched a jet come in and then we all came back to Yirara.

8B have been using words which rhyme to make limericks:

There was an old man who owned a spoon and a broom,  
they chased him into the room

Jennifer O'Keefe

There was a cat who chased a rat,  
Around the chair and into the air,  
The rat got into the hole,  
And the cat jumped into a pole.

April Martin Nangala

There was a horse,  
Who got into the house,  
The dog did bark,  
The horse ran to the park.

Sandra Windi

There was a dirty man,  
Who washed his face in a frying pan,  
He combed his hair with the leg of a chair,  
And he cried with his face in his hand.

Story by Millie Timothy

On Sunday we went to town to see all the people from Areyonga. I was very happy to see Judy Brumby. Some people from Areyonga were playing around the church. Sandra and Iris and I was very sad because Louise and Mary J. and Martha and Lilly, they went home.

Pitjantjatjara

Last week we saw some words like;

ngayulu - I nyuntu - you
-----------------------------

ananyi - going ulanyi - crying
-----------------------------------

This week we will join them, like;

Paluru ananyi - He/She is going Nyuntu nyinanyi - You are staying (sitting) Tjana ulanyi - They are crying Ngayulu inkanyi - I am playing (singing)
--

and learn some new words lik

nyanga - this
---------------

pala - that
-------------

So we can now say,

- |   |
|---|
| 1. Wati pala inkanyi<br>(man) (that) is (singing) - That man is singing               |
| 2. Minyma nyanga nyinanyi<br>(woman) (this) is (staying) - This woman is staying      |
| 2. Tjitji nyanga walkatjunanyi<br>(child) (this) is (writing) - This child is writing |

Now you translate this sentence:

Wati pala ananyi .... ....
-------------------------------

Some new tapes of Pitjantjatjara are now in the Library for you to listen to and to practice with.
