

1. In future all dances are to finish at 10 p.m. and the Duty Officers will not make any announcement. Students must watch the clock and go to bed at 10.00 p.m. This is a decision of the Student Council.
2. The Student Council will in future choose the films for the weekend. It was decided to get the films from Darwin because we get better films from Darwin. This means the entry charge for pictures will rise from 10 cents to 20 cents.
3. Because of transport difficulties there will again be no church this Sunday. Soon we will start having church at Yirara.
4. I hope this weekend will be peaceful. No fights! Sometimes jealousy, sometimes teasing, brings on fights. I hope there will be no jealous or teasing students on Friday, Saturday, or Sunday.

STATE LIBRARY  
OF THE N.T.  
- 1 MAR 1983  
NORTHERN AUSTRALIA

12.30 Lunch

FILMS Films shown at Yirara will in future cost 20 cents. This is because the films are now being sent down from Darwin. As well as the main feature, we will also show a cartoon and a serial.

Each Friday night you will now pay 30 cents. 10 cents on which will be paid to the Drive In and the other 20 cents will pay for the film from Darwin.

SPORT Four Yirara people have been selected to train with the Alice Springs Basketball team. The team is training for the Easter Carnival which will be played in Alice Springs. Congratulations to Garry White, Geoffrey Shannon, Leonard Granites and Alice Granities.

Basketball this week saw the under 15 girls defeat tomboys 22 - 14 and Yirara 2 easily defeat Yirara 7.

Although the U/12 girls' basketball team weren't able to train together last week they defeated Pioneers 19 - 12 on Monday afternoon. All girls played well especially Christine Johnson who scored 12 points.

A successful training session was held on Tuesday afternoon.

#### NEEDLEWORK CLASSES

Now that SA & B 9A & B have finished working on the curtains for the film room they are busy with new work.

9A are making covers for the sewing machines as well as sewing place mats or wall hangings for their own rooms. All other classes are making place mats or making animals from material.

#### WILL TEACHERS EXPLAIN TO STUDENTS THE CHANGE IN MEAL TIMES.
