DANCE IS SHAKE

FROM THE PRINCIPAL

1. It is only 1 week to go till Open Day. I think that 500 or more people will visit Yirara on that day. Will your hair and clothes be really smart on that day? Will you make your room like a palace.
2. Students who invite guests to the barbeque and dance on Open Day must give the guests' names to Mr Prior or Mr Odling-Smee.
3. The next student council meeting is after tea next Monday. I hope all councillors will be there.
4. I am very happy about the Class Council which had its first meeting last night. Two students from each class went along and there was good discussion. I hope students will make serious decisions when trying to help staff to run the college.
5. Anzac Day is on Thursday. It is a holiday. I will tell you the story of what happened at Gallipoli in Turkey on April 25th 1915.
6. Good luck to the Yirara Men's Basketball team in their away game versus Yuendumu. I hope they will be good ambassadors for Yirara.
7. The Chesko Raree musical clown show will be performing on the grass at Yirara at 10.00 a.m. Monday. High Schoolers - you may see it at Colacac Park on Sunday afternoon (outside Egara).

FROM MISS LAYTON

Sport Both Yirara's Volleyball teams were successful in winning their games last Tuesday night. Yirara 1 defeated High school girls and Yirara 2 won premiership points when opponents forfeited their game. Next Tuesday Yirara 1 plays Melanka (8.30 p.m.) and Yirara 2 plays Ansett (9.00 p.m.)

Starting today and continuing through second term there will be many new Yirara teams picking sport in town competitions. Today Grade 7's begin a round of sports with the other town schools. On Saturday Yirara's two softball teams play their first games at Larapinta Park. The Hockey team will play a practice match on Sunday and the senior boys will be playing football on Sunday. This means there will be many opportunities for students to play in Yirara teams and to go and watch Yirara students playing.

Make sure you read TJARU carefully each week so you know when the sport is on.

REMEMBER When you are on an organized outing with a staff member YOU MAY NOT AND MUST NOT wander away: for example if you are at Wigley's you must stay there until the staff member tells you to go.

All sports equipment must be put back either in the wooden box by the sports store room or in the wooden box on the north side of the recreation hall. Too many balls are being lost and broken. Soon there will be none left for you to play with.
